Archaeology Camp Guidelines

Be on time every day! Archaeology Camp is designed to begin and end at given times in order to fit many fun-filled experiences into each day. The program builds on itself, so it is helpful to attend every day.

• • • • •

Each camper must be signed-in and signed-out by a parent/guardian. If the person picking up the camper isn't going to be the same person, a written note must be given to The Castle staff beforehand.

• • • • •

The Castle will provide water for the campers, but water bottles are certainly encouraged.

• • • • •

**Dress comfortably and sensibly.
Old clothes that can get dirty are the best.**

Remember sunscreen and hats.

No flip-flops or open-toed shoes.

We will be outside in the dirt.

Each participant should wash their hands before eating, drinking, or leaving.

Work gloves will be provided and should be worn at all times while excavating.

Every effort has been made to make camp enjoyable and educational for all. Should a participant's behavior interfere with others, the parent will be called to pick up the child.
